

# Dehesa de los Canónigos Quinta Generación 2022

## VINTAGE CLIMATE:

Warm and dry year define the 2022 vintage.

The winter and spring were characterised by a lack of water, the summer started very early and there was a constant heat wave.

A little irrigation and proper canopy management were key to keep the clusters protected from the strong sunshine.

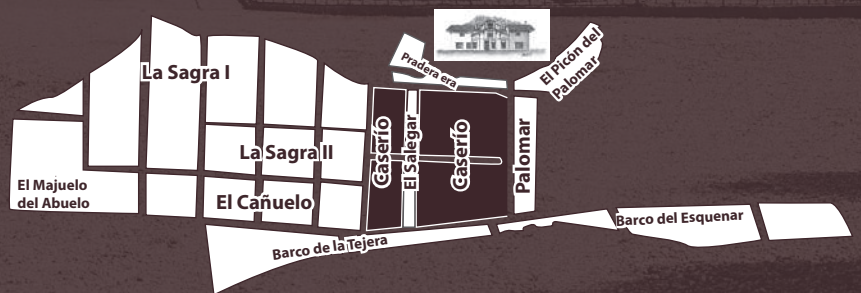

In the weeks leading up to the harvest, which began on September 19th, the temperature range helped to preserve the acidity and grapes primary aromas.

## TASTING NOTES:

Clean and bright wine, deep cherry red in colour with violet hints.

On the nose, ripe red and black fruits stand out, such as plum, blackberry and raspberry. The balsamic aromas and liquorice give it freshness.

On the palate, it has a refreshing entry, combined with a very good acidity. The menthol and red liquorice notes stand out again. Long and pleasant aftertaste.

Own vineyard  
From a single 25 year  
old vineyard,  
"El Caserío".

Hand picking harvest:  
26<sup>th</sup> September 2022  
100% Tempranillo.
